Learn to Improve Your Eyesight
By Completely Natural Means!
Works great for adults and kids

**FREE
CLASS**

FREE Introduction to Natural Vision Improvement

When: Monday January 14, 2019
6:00 pm to 7:30 pm

AT: Oasis Family Medicine
3541 Ocean View Blvd, Glendale

How would you like to get your eyesight back to normal, naturally?

**Come learn about and experience, a way to have normal eyesight again,
regardless of your age
without glasses, contacts or surgery!**

Works for the following:

- Nearsightedness
- Farsightedness
- Astigmatism
- **If you use reading glasses or have noticed eyestrain while reading or at the computer**
- Works great for kids!
- **Help clear up problems that come up after Lasik. See clearly after problems with Lasik**
- Helps many other eye problems and conditions

- **Learn how to keep your normal eyesight for your whole life, before you use glasses, contacts or have Lasik or any other type of surgery. Improve your eyesight to better than normal.**

Seating is LIMITED! Please call us to reserve your seat.
